GRIFFIN DELIVERS.

The Chicks were forced to go into extra innings to defeat the Travelers in the Sunday game. The Trabe enextra innings to defeat the Travelers in the Sunday game. The Trabe entered the minth with the score standing four runs to two in their favor, but the Travelers staged a raily all their own and before the frame had ended the score was as tight as litek's hattsind. With two out in the ninth and Hughie pitching, Chief Wano, Lattle Rock first inseman, doublaid into the enter field crowd. Miller came up and the count was three and two. The next one was in the middle and Miller sent it over the left field wall, scoring Wano ahead of him and typing the count.

This marked the end of Canaxas. This marked the end of Canaxas. The Chicks came along in their half of the hinth and falled to do any damage. The Travelers were casy in their half of the tent.

But in the Chicks portion of the frame Griffin ted off with a double to the left field dump. McLaughlin walked Manager McCloskey then lifted Bischoff from the batting order and inserted Yale Sloan, thick outfielder, now on the injured list. Yale was up there to bunt and he laid down a beauty, advancing Griffin and McLaughlin. Andy High shot a drice to center and the game was over. High's hit would have easily been a two-bagger, but the game ended when Griffin scored.

Manager McCkoskey's stategy in send-mg in Sloan to bunt was the right play at the right time, as it no proved. Bischoff is a poor bunter while Sloan is one of the best in any league. Then High delivered his hit, the first one be bad gathered during the day.

PITCHERS ON PARADE.

The game was a parade of pitchers. The Chicks started with Dazzy Vance in the box, and High Canavan succeeded Dazzy in the fourth when the shelling became too warm. Then when Canavan succumbed, Goodbred lumbered to the bill.

Canavan succumbed, Goodbred lumisered to the hill.

For Little Rock Manager Elberfeld started Rube Robinson, usually a sure bet, but Robby was in extraordinarily warm water from the beginning. He lasted until the end of the goventh when Fields ascended the mound Field pitched the eighth, and Zeke Lohman charted the ninth, remaining in charge the rest of the way.

The Chicks counted one in the first when Blades doubled to right and took third when Blades doubled to right and took third when Harper bet the hall go through him. Lewis hit the first offering of Robinson for a single through chort and Blades secred. McLarry sacrificed and Griffin walked but McLauchlin and Blachoff fannes.

The Travelers threatened practically in every reund, but the old pinch poke was missing. In the second with two gone two Travelers were alward, but Robby fanned the breeze. In the third with two more Little Rockers on the runways, Harper lifted a fixer to High.

Vance remained on the mound until Tony Brottem had similed off him to start the fourth, and there he mean dered to the bench. Brettern gummed the ball gime for the Travelers in the seventh. He opened with a double and with Moore at bat Canavan made a quick throw and caught Tony off second.

The Tribe got two in the fifth Collenberger got aboard by was of a hoper that Distel falled to handle Canavan builted and was safe when Rudinson pulled Wann off the lang after fielding Canavan's grounder. Blades advanced both runners with a sacrifice Lewis' single through third base secred Collenberger and Canavan. The Travelers got their second run in the eighth. Harper wilked and after Brutten had fouled out to M-layers. Moore doubled to left, Flarper legging it home.

MACK MAKES HIT.

Manager McCloskey is making a big iff with Memphis fundom by the way ne yanks pitchers. In the just couple of games at Russwood he heart failed to remove a faitering statement, and each time his judgment has been correct.

Memphis managers usually let a pitcher remain in outil the opposing club has worred five in six runs, but Mack doesn't believe in that.

In the sixth Tony Brottem doubled into the center field crowd, lutting a green parasol beneath which was a pair of queens.

John J. McCloskey, manager of the Memphis Chicks, left for Nashville with the Tribe Sunday night with a heavy heart. The Chick chieftain, who has been in the hospital nursing a badly wounded eye which was sustained when the Clevesland team was here recently, and when Mack was struck by a thrown ball, has been informed by the attending specialists that the sight of his left eye has been destroyed.

Manager McCloskey was struck in the eye by a ball thrown by Ray Chapman, Cleveland infielder, two weeks ago last Friday. He was knecked unconscious and removed to the Baptist hospital, where he has been given the best of attention by the leading surgeons of Memphis. At first it was believed that the sight could be saved, and all possible efforts were exerted to restore the eye to its normal condition. But affer two weeks of work, the attending physicians have abandoned hope and notified McCloskey that the sight had been forever destroyed.

Chick chieftain said that it was a tough break of fate that blinded him in one eye. "I've been in the game for years and have played and managed day after day, and came through it all unharmed until the Cleveland club came. Of course, I shouldn't compiain, I don't suppose, but it is a terrible thing to lose the most preclous sense of them all." The Chick leader has the sympathy of every fan in Memphis and throughout the Southern league in his misfortune. He is bearing up well, and although still suffering tremendously with his eye, he lett for Nashville with the Chicks Sunday night. President Watkins told him to return to Memphis and go back into the Mospital any time his eye bothered him too much. President Watkins advised McCloskey against going with the club, but the Chick chief is anxious to keep the Tribe in the hunt, and accompanied the team when it pulled out at 10 o'clock Sunday night for the Capital MEMPHIS ASSOCIATED BEN HUR LEAGUE.

Herring, no doubt will rule a favorite with fans, as Henry will be making his bow to Memphis bugs. At the same time both parties are overstocked with the winning punch and are capable of stepping in and lifting off a rival cove without notice. Under these promising circumstances fight fans are assured a rousing time regardless of the outcome.

In the week's grind the Kid has dealt out terrific punishment to his helpers and should be primed to the last notch. If he loses by any chance at all, it will not be because he is not in shape—but merely because one of Herring's six-inch shells has struck a vulnerable spot.

HENRY IS FAST.

Henry is fast, shifty, aggressive and tough. To top this off he has a wicked punch from both sides and is extremely anxious to make a home for himself with Memphis fans. Victory means bouts in the future with good returns and the added ture of future popularity should spur him on to top speed. He gives due credit to the Herring punch but has assured his followers that he will be trying his best from the start and if defeated will have no alibi.

His last victim was Leo Witt, of St. Louis, who was stopped with a jerk in Springfield, Mo. Witt stepped in and Herring turned loose with a right-hand punch to the chin curtains. Owing to the fact that much causit comment has been traded by close friends of both parties the bout should be extremely blitter and with knockout punch forming the feature asset of each lad's attack a sudden termination of hostilities should not be surprising.

The Mexican Kid takes on Billy Smith in the semiwindup and the latter has posted a few bones on his chances of victory.
